# Definitions and Explanations for various classes

## Pleasure Day

**Novice Exhibitor:** The exhibitor has never won a blue ribbon in that class.

**Leadless Showmanship:** A showmanship pattern must be executed without the use of a lead attached to the horse.

**Costume Class:** Exhibitors enter one of the categories listed. Each category will be placed 1-6.

**Parent & Child Walk/Trot:** One horse, two riders. Parent will ride first, dismount in center, child will mount and ride. Will be judged as a team. No tack change allowed except for stirrup length. Both riders must be declared on the entry form.

## Speed & Fun Games Day

**Pleasure type horse:** A horse who normally competes in open and breed-type events.

**Speed type horse:** A horse who normally competes in speed & gymkhana events.

*No cross entering between pleasure and speed types*

**Gamblers Choice for Cross Rails & Green Hunter:** Rider is able to choose their own pattern for the jumps but all jumps must be completed.

**Simon Sez:** While mounted on the horse, rider must follow directions from the judge only when “simon sez” is stated.

**Ribbon Race:** A team of 2 horse/riders will hold a piece of crepe paper between themselves and proceed down the arena and around the barrel and back. Fastest time, without a broken/lost crepe paper piece is the winner.

**Catalog Race:** Horse/rider proceeds down the arena to a barrel and pulls a specific page number from a catalog placed on the top of the barrel and gets back to the finish line. Fastest time, with the correct page intact, wins.

**Tandem Bareback:** 2 riders riding bareback on one horse, at a walk or trot. Riders will be asked to switch places during the class. Both riders must be declared on the entry form.

**Bareback Equitation Pattern:** A pattern must be ridden bareback on the horse. It does not matter if it is ridden Western or English.

**Boot Scramble:** No horses needed. Everyone can participate! Each participant puts one of their boots (or shoes) in a wheelbarrow and the boots are transported to the end of the ring and dumped. At the signal, participants must run down, find their boot/shoe, put it on and run back. Fastest time is the winner. If the class is large enough we will split between youth and adults.

**Chuck A Duck:** No horses needed. Everyone can participate! Participants receive 2 ducks to toss into a ring placed in the arena. Closest duck to the ring is the winner. If the class is large enough we will split between youth and adults. Additional ducks may be purchased for 50¢ each while supplies last.

**Speed & Action:** Horse/rider must stay within the starting box for 5 seconds and then race down and around the barrel and back into the starting box, staying within the box for an additional 5 seconds. Stepping out of the box disqualifies the rider. Winner is the fastest qualified time.

**Bribe A Horse:** Horse does not have a lead on and needs to follow the handler around the barrel at the end of the arena and back to the start line. Horse may not cross the start/finish line before the handler or they will be disqualified. Winner is the fastest qualified time.
