## Welcome to the Boots, Bits and Spurs Invitational

I would like to thank you for coming and competing at this years event. I have really enjoyed working with you over the years. Joy comes to me watching you grow as riders and archiving your personal best times.

You all have embraced my thoughts and talents with open minds and try. My goal on riding has always been horsemanship - horsemanship. The key is to have a well broke horse and you will always have a partner in what ever you chose to do. I continually strive to better my skills by attending clinics or private lessons with top trainers in all fields. Keeping in mind that every equine discipline has something to offer.

A personal thank you to all the people who believed in me enough to host my clinics and workshops.

Please enjoy the following great quotes!

“Some people have thousands of reasons why they cannot do what they want to; all you need is 1 reason why you can!”

“In order to succeed we must first believe we can”

“No Mistakes - No Experience ~ No Experience - No Wisdom”

Thank You and Good Luck

Pam
